

‘Program Pre-Application Form’

The "JeonJu University Global Companion" program is a program where staff members working at the university become friends of international students and support them to successfully live in Korea and continue their studies. International students are encouraged to participate in the program.

◆ What is the "JJ Global Companion" program?

A "Growth Project" with a team consisting of "One employee + One international student"

◆ Program start: September after the start of the second semester in 2023

◆ Eligibility: International students(Priority to lower grades)

◆ Pre-application: <https://naver.me/FU9VXi3a>

◆ We plan to hold a program operation briefing session after recruiting participants.
